Education

October 2013 **Bachelor of Science**, *The Faculty of Mathematics, Informatics and Mechanics*,
– now *University of Warsaw*.

Experience

May 2016 – **Team leader**, IIIT, Warsaw, Poland.
current Developing clang-tidy checks and other static analysis for BA project
July 2016 – **Software engineer intern**, GOOGLE, Mountain View, USA.
October 2016 Working on ThinLTO in LLVM - scalable incremental Link Time Optimization
July 2013 – **C++/Python developer**, GEMIUS, Warsaw, Poland.
May 2016 working on new GemiusAudience backend, developing computing cloud with resources control, developing configurable monitoring files parser
July 2015 – **Software engineer intern**, GOOGLE, Mountain View, USA.
October 2015 Working on Clang (C++ compiler) optimization based on devirtualization

Awards

2013 Finalist of Polish IT Olympiad
2012, 2013 Finalist of Polish Innovation Technology Olympiad
2013 Finalist of Polish Linguistics Olympiad 2012
2013 The Best IT project at the Youth Scientists Festival "EXPLORY"
2009 Square-1 World Champion – speed solving Rubik's cube competition

Computer skills

Advanced C++11, PYTHON, OPTIMIZATIONS, COMPILERS AND TOOLS
Intermediate C, LINUX, ALGORITHMS
Basic JAVA, CUDA, ASM, OPERATIONAL SYSTEMS, NETWORKING, ML

Hobbies

- Compilers infrastructure	- C++
- Giving C++ talks	- Motorcycles
- electric guitar and drums	- Speedcubing
